MEDITERRANEAN SEA

# Alexandria

## Lake Mareotis

Linked by canals to the Nile and Mediterranean, this lake—vital to shipping in Cleopatra's day, when Egypt supplied much of Rome's grain—is now much smaller.

## Cleopatra's Alexandria

Founded by Alexander the Great in 331 B.C., this Mediterranean city became the world's most magnificent center of trade, culture, and learning under the Ptolemies. Ruins of the ancient buildings now lie under the sea and beneath modern construction. This re-creation shows what the city may have looked like during Cleopatra's reign, when a multicultural mix of perhaps 325,000 people made it their home.
