

*Greetings from the Broyles
Church Planting Missionaries to the Balkans*

What an encouragement is the assurance that we have in our Savior Jesus Christ. We have been purchased, born again, and washed in the blood of the Lamb. With this assurance we can enter into the new year boldly for the Cause of Christ!

As we look back over last year, there are countless times when our God showed himself faithful to our family. Last March God gave us another little girl, Scarlett, and what a blessing she has been. The Lord has allowed us to lead people to the Lord, including our daughter Audrey.

This month we started Albanian language classes. Both Paty and I have been enjoying speaking and studying the Albanian language.

Some of our goals would be to arrive in Albania, rent and set up a house and continue language classes in Albania. For this to happen please pray for the U.S. Government to process our documents more quickly. Also, our greatest desire and prayer is to see souls come to the saving knowledge of Jesus Christ. Our God is faithful, and we saw all throughout 2023 how He is able and will take care of us. We are greatly looking forward to this year and all that God would have us do for Him.

We see the goodness of God through you in faithful prayers and financial support, for which we are so grateful for.

Dear Brothers & Sisters in Christ,

Thank you so much for the \$2,000 you sent in for us in November after our visit. God used you to provide for several unexpected needs here in Florida. The words “**THANK YOU**” don't seem to communicate well enough our full gratitude for your generosity. We appreciate that you remembered us, helped us out financially, and are especially thankful for the prayers that accompanied your gift. We are finally almost settled into our new home in Florida eagerly awaiting the arrival of our baby girl due February 7th.
