

## Greetings from the Broyles Church Planting Missionaries to the Balkans

Dear Partners in Ministry,

The need is all around us. As we open our eyes and see the souls that surround us everyday, we are reminded that we have a great job to do. This week as my daughter and I were out visiting and witnessing, we met a man who didn't know for certain that he was going to heaven, and several others who were confused about what happens after death. What great opportunities to share the light of the World, Jesus Christ, who is the only way to the Father!

**Language Class:** As we continue Albanian language classes, we have enjoyed not only learning the language but also learning more of the Albanian culture. Albania has a wonderful culture and a wonderful people who are interested in learning about others. The Albanian language has been fun to learn, and we are excited to better our communication.

**Working while we are here:** We were busy this past month with opportunities to teach an intensive course at our mission board, preach chapel at the Our Generation Training Center, as well as teach children and other groups.

**Praises:**

Documentation is moving forward  
Opportunities to teach and preach

**Prayer requests:**

Salvation of those we give the Gospel to  
Language learning  
That God would prepare a good house for us in Albania  
That God would provide a church that preaches the Gospel to the City of Fier and many other like cities in Albania
