

Greetings from The Clower Family Church Planting Missionaries in Mozambique, Africa

Thank you for taking the time to read our letter and to pray for us. This is our first update after arriving in Mozambique on April 4th. We are excited to share with you all what God has done for us after arriving in Mozambique.

We left America for Mozambique on April 2nd, and after a couple of days traveling, we arrived in Mozambique on April 4th. My friend and language teacher, Afonso, met us at the airport and helped us to our Airbnb with our luggage. I began language school with Afonso online in January. Although this was the first time we met in person, we were thankful to see our friend and very thankful for his help.

Mozambique is a totally new world compared to America, but we are learning how to live here one day at a time. After our first week here I began to think about how God has continued to meet our needs. The Lord has kept the passage in 2 Chronicles 16:9 constantly in my mind. The Lord has shown Himself strong for us from the very moment we stepped on the plane in Knoxville, TN. We can firmly say that if God were not helping us out then there is no way we could do this.

We submitted our visas and after only one week they were approved and ready for pickup. Praise the Lord we have a visa that allows us to stay in Mozambique for the next year. There are several documents that we need so that we can open a bank account and receive our container. Lord willing, we will be able to open a bank account here this week.

We thank you for your prayers concerning our paperwork for many months. Once again, the Lord has shown Himself strong on our behalf.

Pastors: Randy Barnes, Caleb Farmer, and Andrew Holloway
